2. What Are Cookies

A cookie is a small text file stored by your browser when you visit a website. Cookies allow the website to recognise your device and remember information about your visit.

3. Categories of Cookies We Use

We use the following categories:

- Strictly necessary cookies: required for the website and login session to function.
- Performance and analytics cookies: help us understand how visitors use our site (aggregate, non-identifying).
- Functional cookies: remember your preferences such as language and region.
- We do not use third-party advertising or cross-site tracking cookies.

4. Managing Cookies

Most browsers allow you to refuse or delete cookies through their settings. Note that disabling strictly necessary cookies may impair core functionality of the website.
